

This Law was initially passed by the House of Representatives on 28 November 2010 (47 representatives voted for the Bill, 4 voted against and 1 abstained). As this is a money bill (which bypasses the House of Elders) it was forwarded straight to the President for consideration and signature. The President returned the Bill to the House on 28 December 2010 and the House, having re-considered it approved the law on 5 February 2011 and passed it again on a vote of 45 for and 1 abstention. The previous Article 10 relating to the expenses (such as sessional expenses, travelling, health etc of the members of the two Houses and of the sub committees) was deleted. The article which was open ended stated that such expenses would be added to the budgets of the two Houses.

The final law, set out below, which is now 11 articles only was signed by the President on 13 February 2011 (Decree N. 0113/022011) and came into force on that date.
